Wear your favorite or crazy Hat!

The MAC has established a partnership with St. Ambrose to give first-year occupational therapy doctoral students some real-life experience working with the older adult community. This will help the students to become comfortable with their interview skills and basic practice concepts. This program will be under the leadership of

MaryAnn Halpin, MS, OTR/L

Stay Safe, Strong, and On Your Feet!

Fall Prevention Educational Series (Participants attend all 7 sessions) Free of charge

1:30pm-3:30pm on February ,17 & 24 March 3, 10, 31; April 7, 14 ~ (MAC / Johnston Hall)

Don't let a fear of falling keep you from doing what you love! Join us for a fun and informative Fall Prevention Series led by MaryAnn Halpin, MS, OTR/L, and students from the St. Ambrose University Doctorate of Occupational Therapy program. You'll have the chance to learn about your balance and fall risk and get practical tips for staying steady—both at home and when you're out and about.

We'll talk about:

- Simple home modifications and helpful equipment to make your space safer
- Exercises to improve balance and strength

The Art of Active Aging Starts Here!

From the Desk of Supervisor Bonnie Johnson

Greetings MAC Friends,

Welcome to 2026, hope all had a good holiday. We navigated through all the road construction on 7th Ave and watched it open on November 14, 2025. The round-a-bout, I must admit, turned out very nice and gives the 7th Ave a sense of class. It was quite humorous to watch drivers the day of the opening. We feel this will make crossing 7th Ave more safe.

Parking; We did entertain purchasing the former Bethany building. Honestly, it does not fit our needs, to much space all divided into small areas of 30 offices. The idea was presented to the Township Board & Trustees. The vote to move forward was voted down. The good news, the board voted Yes to purchase property for sale adjacent to police department. If all collaborations meet in agreement, and this is cost effective, we will have more parking.

We are hiring a project manager to advise on costs of demolition of building along with other costs incurred for development of a parking lot.
