**The Art of Active Aging Starts Here!**

## From the Desk of Supervisor Bonnie Johnson

Township Easter Egg hunt was re-scheduled for April 15th due to weather, then it started raining just as the hunt was about to start. We could not catch a break, the kids who participated had a blast in the rain. They came inside and we had a small raffle drawing; seeing those children's faces with excitement of winning toys was priceless.

A big thank you to all the participating vendors at our Senior Resource Fair on April 21st. A special thank you to State Senator, Mike Halpin & Rep. Dan Swanson & Naomi Ballard for providing the awesome sign outside. We had a great turn out and great feed back from guests. Thank you to Western Illinois on Area Aging Agency for volunteering their time to hold another Matter of Balance session. This is such a great program and we are honored to be a host.

Summer concerts are around the corner. If you are interested in being a *Concerts in the Park* sponsor, please contact Roxann at 309-797-0789 for more details. Great opportunity to market your company or organization on our new digital outdoor sign.

*Bonnie*
