Each participant supplies one wrapped gift, usually of similar value. The gifts are placed in a central location, and participants determine in which order they will take turns selecting them. The first person opens a wrapped gift and their turn ends. On subsequent turns each person has the choice to either unwrap a new present or to steal another's. When a person's gift is stolen, that person can either choose another wrapped gift to open or can steal from another player. To avoid never-ending circles each gift can only be stolen twice per game. The game is over when everyone has a present.

The Art of Active Aging Starts Here!

From the Desk of Supervisor Bonnie Johnson

Greetings MAC Friends,

Everyone was great with our altered parking
situation in the Fall. As I write this, I have no
updates on the parking lot but stay positive,
we are looking into other alternatives.

November 4th we will be celebrating Moline
Township's 50th Anniversary. This building
went up through shared revenue in the early
70's as a Township and Senior Center. The
services provided by both ends has enhanced many
lives, we hope to continue this journey for 50 more
years. Join us in this celebration on Tuesday, Novem-
ber 4th in *Johnston Hall* for refreshments
11am - 1pm. Anyone is welcome to attend this
celebratory event.

As inclement weather approaches and you have con-
cerns about the building closing, we now have an au-
tomated message informing those who call the MAC.

I look forward to seeing you at the MAC annual
holiday luncheon. Many blessings for the New Year!

Happy Holidays!
Bonnie Johnson
