The Art of Active Aging Starts Here!

A tribute to former Supervisor Don Johnston

Our leader, friend & boss unexpectedly passed on August 7, 2021. This news devastated staff, family and the community. Don had a passion for politics, making a difference for the people. Even in adversity, he stood his ground. He was the Township Supervisor for 16 years, "No slow your roll" for this guy, always a work in progress. In his spare time he enjoyed his boat & his miniature greyhound pups. One could only be so lucky to work under Don, he treated us all like family. Several members have come forward requesting a memorial for the Center to honor Don. We will honor this request with much thought for such a special person. We are still currently taking donations for this cause.

The Moline Board of Trustees have voted in our new Township Supervisor. Please Welcome *Bonnie Johnson* who has been on the Moline Township Board for 16 years, currently fulfilling the role of Town Clerk. Taking Bonnie's position as Town Clerk will be Theresa Oak.

We will be hosting a meet and greet in the near future so you can meet our new Township Supervisor, Board members & Trustees.
