The Art of Active Aging Starts Here!

From the desk of Supervisor Don Johnston

As we wrap up another successful year at the MAC and begin to start a new year, I want to take this opportunity to thank all the MAC volunteers who give so much throughout the year to make all our programs not only fun but profitable to our Center. Without all your support, we would not have a Center. THANK YOU! Also, thank you to the *Healthy Lifestyles*

group for, once again, providing all our Township Holiday Dinner guests with a goodie bag! You can't even imagine how much it means to them. Another big thank you goes to all the volunteers who help set up the room, serve the dinner and help with the clean-up. This also includes all our elected officials who help serve as well as bring donated gifts so our invited guests each receive a gift. As a side note – our gift supply is getting low. We are already looking to next year and want to continue to provide all invited guests with a gift. Sometimes, this is the only gift they receive. Donated gifts or gift certificates for next year will be welcome throughout the year.

HAVE A SAFE NEW YEAR'S!
